

How to Cancel a Volunteer Shift

Can't make it? No worries, cancelling a volunteer shift is easy!

1. Login to Bloomerang Volunteer
2. Navigate to the "My Shifts" page

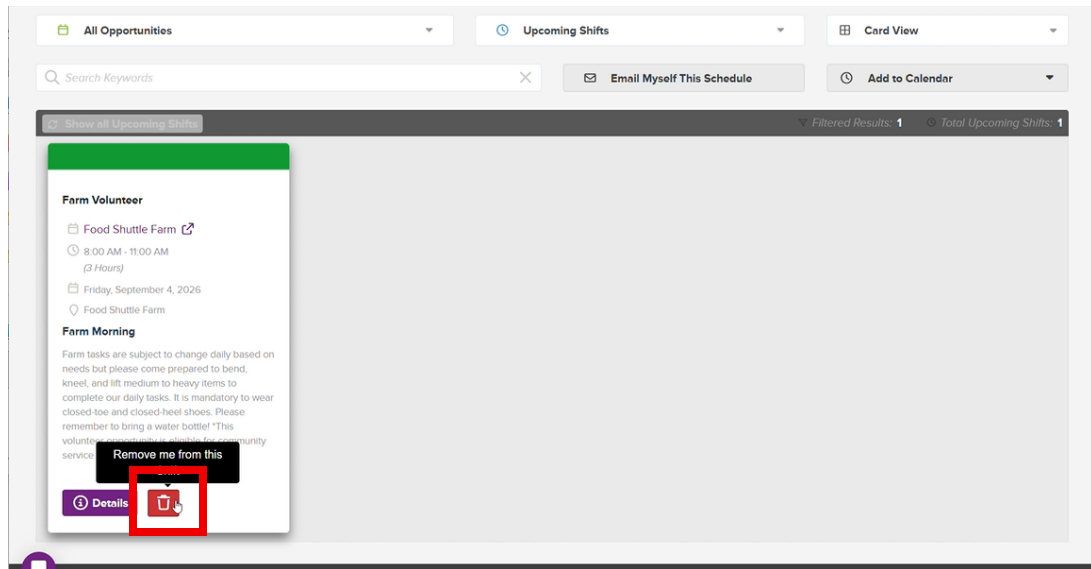

3. Scroll down to view your upcoming shifts

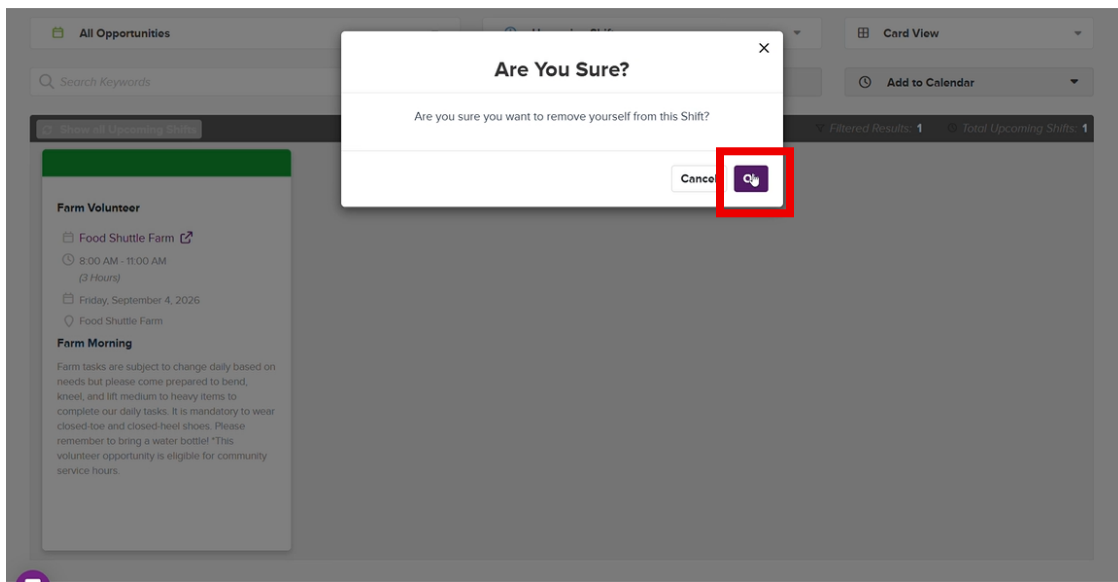

- Find the shift you'd like to cancel and hover over the tile until the little red trash can pops up.

- To cancel the shift, click the trash can and then hit the purple "OK" within the popup. The shift will then disappear from your upcoming shifts list!

We'll see you next time! Thank you!
