

INTER-FAITH FOOD SHUTTLE

JOB POSTING

Warehouse Associate/Driver

ABOUT US

Inter-Faith Food Shuttle envisions a hunger free community. Our mission is to feed our neighbors, teach self-sufficiency, and grow healthy foods by cultivating innovative approaches to end hunger. As a Feeding America partner food bank, the Food Shuttle distributes over 13 million pounds of food per year, half of which is fresh produce. From Grocery Bags for Seniors, Backpack Buddies, and School Pantries; to Community Health Education and Mobile Markets; Catering and Culinary Job Training; and Community Gardening and a 16-Acre Farm; we go directly to the point of need to empower people and overcome the burden of hunger.

The Warehouse Associate/Driver is responsible for a variety of manual tasks associated with the Food Shuttle's Food Recovery & Distribution department and in the acquisition and storage of food. Each day, nearly 25,000 pounds of food is recovered from manufacturers, wholesalers, grocery stores, local farmers, restaurants, and other locations. That same day, the food is redistributed to partner agencies and people in need in our community. The Warehouse Associate/Driver is responsible for pulling orders, unloading deliveries, loading trucks, and pickup and delivery of food and goods. Warehouse Associates/Drivers are often the main person that our food donors see and interact with. More importantly, the Warehouse Associate/Driver is the representative of the Food Shuttle, delivering life sustaining food to people facing food insecurity. The Warehouse Associate/Driver requires professionalism and customer service orientation.
